

February 2023

Aloha Mae`ma`e Ohana,

2023 is in full swing and spring is almost here! The PTSA kicked off 2023 with our Mini Terrarium workshop in January. A huge mahalo to everyone who participated and to local vendor **Plantoem** for teaching us about sustainable ecosystems. In February we have our annual **Campus Beautification** event, where students, parents, faculty, and staff can volunteer their time and hard work to help keep our Ma`ema`e School “clean and pure.”

PTSA’s **Spring fundraiser** will held 2/27- 3/24. Please consider a donation as 100% of the proceeds stay at Ma`ema`e school. The PTSA is also excited for our remaining events of the school year including **PTSA general membership meeting and movie night** in April and **Family Night** in May, our biggest and most memorable fundraiser. As always, feel free to contact me anytime if you have any questions, concerns, or would like to volunteer for future PTSA events: [ptsa@maemae.k12.hi.us](mailto:ptsa@maemae.k12.hi.us).

Take care everyone and looking forward to “A New Beginning.”

Charlene Mow  
PTSA President
